Our School Week

What a day! Our wonderful Year 6 pupils Scarlett, Dominic, Poppy, Leo, Ava and Mollymae went to the home of Everton Football Club, Goodison Park, today to try and replicate the amazing feat of last year and win the St Helens Chamber Enterprise Award. As was the case last year the competition from other schools was tough! The children had to present their ideas about how they could innovate the plans for Everton's new stadium and were judged by staff, including an ex-player from the club. All of our children were confident, articulate and had incredible ideas. Lots of work had gone into the preparation for their presentation with brilliant support from lifelong Evertonian Mr Latham and lifelong Liverpoolian Miss Vickers. As the end of the day drew to a conclusion nerves were tight!

The considered view was that the winning team would either be Carr Mill, who gave a brilliant presentation, or Willow Tree. I am pleased to announce that Willow Tree once again were crowned champions! This is now the 2nd year running that the school has won this prestigious award after coming 2nd the year before! The children were superb ambassadors for our school and epitomised our school values. Well done, I think you made Mr Latham a very happy man!
